If MIEC approves you for Prior Acts coverage, MIEC premiums will be at the claims-made step rate based on the number of years you have been insured by your previous claims-made carrier. If you wish to apply, please contact MIEC for the special prior acts application. Coverage is provided only after review and underwriting approval by MIEC.

If you have purchased tail coverage from your former carrier, and do not need Prior Acts coverage from MIEC, please attach a copy of the tail coverage endorsement to this application.
