

Meet Our Team

Our team looks forward to working with you to keep your patients safe, reduce your liability and increase your defensibility with the most efficient and practical risk reduction solutions.

Michael D. Anderson, B.S.
Risk Specialist and Supervisor

Michael holds a B.S. in Biology-Physiology from Penn State, and he worked in clinical research in Critical Care and Orthopedics for the Johns Hopkins School of Medicine before entering the field of medical malpractice. Prior to becoming involved in Risk Management, Michael worked for 17 years managing medical professional liability claims for physician-owned insurers.

Claudia Dobbs, M.A.
Director of Patient Safety & Risk Management

Claudia Dobbs is a certified paralegal and worked for 10 years with Anderson, Galloway & Lucchese, a California law firm that specialized in medical malpractice defense. Ms. Dobbs joined MIEC's Loss Prevention Department in 1992.

Dorothy L. Dukes, B.A.
Patient Safety & Risk Management
Senior Representative

Dorothy Dukes has more than six years experience as a defense representative, claims reviewer, and paralegal for Dalkon Shield Claimants Trust. Ms. Dukes served as a Family Mediator for the Supreme Court of Virginia, and a Department Supervisor for the American Arbitration Association. She joined MIEC in 2001.

Kathy Kenady, B.A.
Patient Safety & Risk Management
Senior Representative

Kathy Kenady worked in the Government Relations division of the California Medical Association and went on to spend five years as the Associate Director and Managing Editor of the Alameda-Contra Costa Medical Association. She joined MIEC's Loss Prevention Department in 2005.
